

February 8, 2018

TO: All USA Softball Youth Recreational Leagues

FROM: John Gouveia, Nor Cal Commissioner 

SUBJECT: Official Softballs

---

At our recent meetings it was requested that USA Softball of Northern California let everyone know what softballs will be used at our Nor Cal Championships this year, especially for 8U.

We went a step further. Attached is a price list that indicates what balls we will be using (highlighted in yellow) and special pricing being extended to USA Softball league members. Other balls are available as well.

If your league is interested in purchasing balls your order must be placed by March 30, 2018. Please submit your completed form directly to Chris Sims of Mountain Pacific Sales. Chris's email is [ChrisJSims@MountainPacificSales.com](mailto:ChrisJSims@MountainPacificSales.com). To make things simple please order in increments of six (6) dozen, which is what comes in a case. Also orders of at least thirty-six (36) dozen, or six (6) cases, will qualify for free shipping. Smaller leagues located near each other can look at combining orders to save on shipping. I think you will find this pricing to be very favorable.

Also one dollar from every dozen purchase will be rebated back to Nor Cal, and we use those proceeds for scholarships and grants.

Thank you for being a member of USA Softball. If you have any questions please contact me at [jgouveia@norcalusasoftball.org](mailto:jgouveia@norcalusasoftball.org).
